

We are pleased to invite you to participate in the **37th Annual Coastal Home & Garden Show** hosted by the Crystal Coast Civic Center in Morehead City. The show is the first weekend in March – **Saturday, March 1 & Sunday, March 2, 2025**. Request for booths will be considered, however show management reserves the right to make changes they deem necessary.

The booth layout is shown on the adjacent page and space is expected to sell out quickly. We encourage you to reserve your booth promptly. Please pay special attention to the rules and regulations printed on the enclosed contract.

As we all know, business is booming in Carteret County so this show will be a huge success. Come enjoy a weekend of meeting potential new customers and promoting your business and services. We have an extensive marketing plan in place for this event but please promote the show to your customer base. Consider the number of potential buyers we'd reach if every vendor promoted the show via your website, social media outlets, word of mouth, flyers and posters in your store fronts, etc. Let's make this show an extraordinary success for everyone.

Editorial Opportunity

Once again Carteret County News Times is the media sponsor for the Coastal Home & Garden Show. We are very fortunate to have their support as they are offering a limited amount of space for a free editorial about your business. Editorials will be included in the Home Show tabloid which is distributed in the Wednesday edition prior to the show.

In order to be included in this free offer, prepare a description of your business in **MICROSOFT WORD format in 200 words or less**. Email the information to Kim Duris at the Carteret County News Times no later than **Feb. 7, 2025**. Please note, the deadline for submission of editorials is firm per the News Times request. This is not an ad; this is a description of your business, service or merchandise.

A sales representative from the Carteret County News Times may call on you to purchase an ad; but whether you purchase an ad or not; this offer for an editorial is free of charge.

This is a great opportunity Carteret County News Times offers our exhibitors; do not let it pass you by.
