What is Miles of Smiles?

Miles of Smiles is a program designed to provide access to dental care by having a mobile dental unit at children's schools. By working with the school system, it lets parents have their children receive dental care while not missing work for their children's dental appointment and children do not have to miss much time from school.

Dental Services:

-  Exams
-  Cleanings
-  X-rays
-  Fluoride treatment
-  Sealants
-  Fillings
-  Extractions

Eligibility

The mobile dental program provides services to children 0 through 20 years of age and pregnant women that are enrolled in Medicaid or North Carolina Health Choice insurance plan.
