Carteret County COVID-19 COVID-19 Vaccine Appointments Press Release #109

Carteret County, NC – Effective today, March 8, 2021, the Carteret County Health Department will no longer be adding additional names to the COVID-19 vaccine waiting list. **Eligible individuals can now call 252-728-8550 (option 2) between the hours of 8am-5pm Monday through Friday to make an appointment at scheduled clinics as vaccines are made available.** If your name is currently on the waiting list and you have not been scheduled for an appointment, please call to make an appointment and ask the staff member to take you off the waiting list. When you call, you will be asked to provide your name, phone number, birth date and place of employment. The County is not currently offering walk-ins at scheduled clinics.

Efforts have been made to contact all individuals on the waiting list in Groups 1 and 2, and those efforts will continue until we have depleted the existing list. As a reminder, county staff call from various phone numbers and locations when making appointments, so the remaining persons from the waiting list are encouraged to please answer calls from unknown callers.

The following Groups are currently eligible to receive vaccination appointments with Carteret County. Group 1- Health care workers and long-term care staff/residents, Group 2- Individuals 65 and older, and Group 3-Frontline essential workers (child care workers, teachers, emergency personnel, grocery store employees, and more). For a detailed list of each group, please visit this link; <https://covid19.ncdhhs.gov/vaccines/find-your-spot-take-your-shot>

To schedule an available COVID-19 vaccination appointment, please call 252-728-8550 (option 2).
