Carteret County COVID-19 Confirmed COVID-19 Death Reported Release #115

Carteret County, NC – The Carteret County Health Department regrets to inform that the County received a report of a confirmed COVID-19 death of a Carteret County resident. The resident was in their 70's with preexisting health conditions and died from complications associated with the COVID-19 virus. To protect the privacy of the family, no further information about the resident will be released.

“It is with heavy hearts that we announce another death of a County resident. We extend our condolences to their family and loved ones,” stated Carteret County Health Director, Nina Oliver. “Getting vaccinated and continuing to follow the 3W’s (wear masks when around others, wait six feet apart from others, and wash your hands often) are the best practices in lowering the chances of contracting COVID-19.”

Individuals who are in Groups 1-4 can call 252-728-8550 and select Option 2 between the hours of 8 am- 5pm to schedule an available vaccination appointment. Walk ins are not available at clinics.

If you need more information about each Group of the NCDHHS vaccination plan, please visit <https://covid19.ncdhhs.gov/vaccines>.
