Carteret County COVID-19 Confirmed COVID-19 Death Reported Press Release #120

Carteret County, NC – The Carteret County Health Department regrets to inform that the County received the report of a confirmed COVID-19 death of a Carteret County resident. The resident was in their 70's with pre-existing health conditions and died from complications associated with the COVID-19 virus. To protect the privacy of the families, no further information about the residents will be released.

“We continue to see the spread of the COVID-19 virus in our community and sadly had another resident pass,” stated Carteret County Consolidated Human Services Director, Cindy Holman. “I encourage everyone to get the vaccine to protect yourself and help protect your neighbors from contracting this deadly virus.”

Vaccination appointments are now open to all individuals 16 years of age or older. Individuals can call 252-728-8550 and select Option 2 between the hours of 8 am- 5 pm to schedule an available vaccination appointment. Walk ins are not available at clinics.

If you need more information about the COVID vaccine, please visit <https://covid19.ncdhs.gov/vaccines>.
